Dear Parents and Caregivers,

We are providing you with free at-home access to our online learning programs ABCmouse, Adventure Academy, and ReadingIQ while your child's school is closed. These research-based educational programs include thousands of digital learning activities, and they can help preschool, pre-k, elementary, and middle school students keep learning while schools are closed.

All three programs can be used on computers, tablets, and smartphones, and you can add up to three children per account!

How to Get Your Free Accounts

Click on the link below for each program that you wish to provide to your child/children:

1. Click on the link below for each program.
2. Enter this School Code: .
3. Create an account using your personal email address and a password of your choice.

For Children in Preschool Through 2nd Grade

Khan Academy - Math

The week-by-week learning plans will help you and your children stay focused so they are ready to soar when school starts in the fall. We have a 12-week and a 20-week schedule. Choose your child's grade, and start using the weekly plans so they can master key math concepts for their grade level.
