Quality Upgrades

Fuel Storage Tank  
Replacement

**VOTE**

MAY 17TH

1PM - 8PM

SCHOOL AUDITORIUM

THIS PROJECT WILL HAVE NO  
ADDITIONAL TAX IMPACT

# Security Improvements

Interior door hardware replacement and security improvements at Assembly and Office areas throughout the building.

Ensure those entering the building are vetted

Help staff take note of students leaving

# HVAC & Air Quality Upgrades

HVAC upgrades and the addition of air conditioning and climate controls to improve indoor air quality in the building.

Locations include: Second Floor Elementary Wing and Second Floor JR/SR High Wings.

Ability to keep  
rooms comfortable  
all year long

Essential to  
learning process

# Athletic Field Lighting

Athletic field lighting replacement project to LED and provide non-emergency power to lighting.

Improves energy efficiency and operating costs

Reduce risk of having to miss events and games due to loss of light

Guarantees light levels and controls

# Fuel Storage Tank Replacement

Replace fuel storage tanks (fuel island) at the Bus Garage that have reached the end of their useful life.

Tanks are over  
30 years old

If not replaced and fail, the District  
will have to use general budget  
money for the replacement

Will soon become  
uninsured

# Project Cost

This project will result in no additional tax impact for Alfred-Almond CSD residents and is fully funded by leveraging New York State Building Aid, managing debt service payments, and using the District's existing capital reserve funds.

**Total Cost:  
\$5.2M**

**THIS PROJECT WILL HAVE NO  
ADDITIONAL TAX IMPACT**
